This matter came before Chairman Pat Miller, Director Sara Kyle and Director Ron Jones of the Tennessee Regulatory Authority ("TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on May 16, 2005. PromiseVision Technology, Inc. (the "Company") originally filed its Application for authority to provide operator services and/or resell telecommunications services in Tennessee on July 26, 2000. During a regularly scheduled Authority Conference held on September 12, 2000, the Directors found that the Company had met all the requirements for certification and the requirements of Tenn. Comp. R. & Regs. 1220-4-2-.57, which was promulgated pursuant to, *inter alia*, Tenn. Code Ann. § 65-2-102 and Tenn. Code Ann. § 65-4-201, and approved the Application. On February 10, 2005, the Company requested that the TRA cancel its authority.¹ Based upon careful consideration of the entire record of this matter, the panel voted unanimously to grant the Company's request to cancel its authority.
